Company Profile

Incorporated in the year 1997 at New Delhi, India, Grace Seating Solutions Pvt Ltd. is one the leading manufacturers of innovative and ergonomically designed Office Furniture in India. With a singular objective of transforming and reinventing the concepts of furniture in all imaginable spaces, Grace Seating Solutions has 25 Years' worth of experience to its credit in the manufacture, supply and export of office furniture, carving a niche for itself in the market for superior quality and competitive prices. Over the years we have grown in size and volume. Today Grace Seating Solutions is considered as the most dependable and trust worthy in the space for Office Furniture, renowned by leading Architects, Interior Designers, Hotels, Airports, Hospitals, Major PSUs', Multinationals and Government agencies, Educational Institutions, Corporates.

With over 350 + models to choose from we offer an extensive range of uniquely different Office Furniture solutions for every area. Available in various colour combinations, sizes and can also be customised as per customer requirement & space available. Our research team and work force has invested countless hours to make sure that our products comply to our principles of comfort and ergonomics. With the use of the finest raw material, components and superior craftsmanship. Each component remains functional and retains their inherent qualities, even after prolonged and vigorous usage. Furthermore, each and every product / component combines traditional values with modern blueprint that ultimately translates into comfort in a well-designed chair. Our products have been accepted as established industry standards, acknowledged among our prestigious clients due to eye-catching design, excellent strength and high durability.

The production, treatment and processing of every component incorporates most modern technology using state-of-the art machinery, sourced from the most reputed manufacturers across the Globe. This state-of-the-art manufacturing facility is located in a sprawling 50,000 Sq. ft Area. With a 70+ skilled work force consisting of highly experienced production team & designers. The unit segregated into areas such as designing, production, quality control, sales and marketing. Along with a 5,000 Sq. Ft Showroom / Customer Experience Centre on the First Floor, where our clients can come and experience each and every model on our catalogue. We have fully equipped in-house testing facility to test & check all quality parameters to manufacture each and every product. Our manufacturing unit has also been certified with ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 which ensure compatibility with international quality management system standards, environment & energy management systems and also occupational health and safety management systems. Besides this we are an international member of BIFMA and thoroughly comply with their standards.

Grace Seating Solutions has a Pan India Sales & Marketing Network. Our sales and marketing operations span across the length and breadth of India. Providing Customers with a Reliable and hassle-free experience for the Service and maintenance of their products. We strive to offer our customers excellence in every product we manufacture with strong focus on international quality standards. We Remain committed to preserve the environment by use of Eco-Friendly materials and manufacturing processes • Carry out product research and innovation to introduce new products with superior value with emphasis on ergonomics.

Certifications & Accreditations

Mr. P.U. Cherian
Managing Director

I take this opportunity to thank all our valued clients, whose continued trust and confidence in our products have always inspired us to improve our quality and extend the best of services,

For years Grace Seating Solutions has been striving to provide modern office solutions concepts to the new era of Offices, Co-Working Spaces, MNC's, Educational Institutions, Embassies and Hospitals. With New and ever improving range of designs in office Furniture. it is our constant endeavour is to reduce overall costs of production while continuing to offer the consumers the latest and highest quality products.

With the Indian economy poised to grow at an exponential rate, our company is dedicated to enhance compatibility and capacity in line with the Indian market requirements. We are committed to deliver higher value to all our customers, associates, employees and the society at large. This effort of ours is in line with the MAKE IN INDIA drive which underlines the commercial objectives of the nation.

Customer satisfaction is very important to us at Grace Seating Solutions. Our ability to provide old fashioned principles with modern day thinking and technology enables us to be flexible and quickly adapt to our customers' changing requirements.

I look forward to our continued growth and success together in the future.
